Dear Friends

I came across this anonymous story in another church newsletter.

I heard recently of a minister in the Midwest who was going for a walk with a soap salesman in the community who was a real skeptic about Christianity. They were having quite a debate while walking through the park. The businessman was getting in some jabs at the inconsistency of Christians. As they were walking through the park the soap salesman questioned the minister, "How can you say that Christianity works when even within the inner city park you see derelicts of every kind, drugs and prostitutes? Then you have the problems of the family, war and disease, not to mention the negative problems of the world. How can you say that Christianity works? Just look around – it's not working." They walked in silence for a few moments, and then the minister turned to him and said, "You're a soap salesman, right?" "Yes, of course," was the reply. "Is it good soap?" "It's the best soap on the market!" was the comment of the salesman. The minister turned and pointed to a small child playing in the park who was covered with dirt and grim and said, "This boy is dirty and filthy from the mud in the park; doesn't your soap help him?" The salesman said, "Well, you've got to apply the soap." The minister's response was, "So it is with the Christian faith. You must apply the Christian faith in order for it to work."

Your sister in Christ,

Stephanie C. Flynn

At the 10 a.m. service on Sunday, September 11, 2011, we will remember the tenth anniversary of the terrorist attack on September 11, 2001. We will say special prayers in remembrance of the victims and all who aided the victims.

The Transfer Station's FREE DAY on July 23rd was a huge success and hopefully a great help to those residents who are now rid of 85 TVs, 42 monitors, 33 towers, 23 VCR/DVDs, 22 printers, 12 keyboards, 2 typewriters, 17 stereos, 10 speakers, 1 scanner, 5 laptops, 4 humidifiers, 17 microwaves, and 17 miscellaneous electronics such as telephones, headphones, wires, and chips.

## Calendar Celebrating Phillipston's 225<sup>th</sup> Anniversary

Selectmen are asking us to work together to make this 225<sup>th</sup> Anniversary "a year to remember." To accomplish this, they are suggesting that each Group consider planning an event, something small or big, inside or outside, educational or just fun. The possibilities are endless. Let's unite and make this a year long celebration.

Events planned so far are:

September 10, 2011 "Walk to Willis Road Bridge" led by Dick Hamel. Meet at the Common at 10:00 A.M.

September 18 – Church and Historical Society co-sponsoring dramatic Civil War Era program about the conspiracy behind Lincoln's assassination

September 24----Special harp, violin, organ concert presented at the Congregational Church.

October 15, 2011 "Explore Goulding Village" led by Dick Hamel. Meet at the Common 10:00 A.M.

### **Historical Commission of Phillipston**

**\*Willis Road Bridge Hike - September 10th\***

Join Dick Hamel on this interesting look back in the history of Phillipston when bridges were constructed entirely of stone. Having lived here all of his life, and walked just about every inch of our town, Dick is familiar with and very knowledgeable about many unique places in Phillipston. We will meet on the \*Common at 10 a.m. on Saturday, September 10, 2011\* and then car pool to Willis Road. The short, steep hike to the bridge is about half an hour. Those interested may wish to continue on to the Phillipston Dam. This is one of the series of hikes to get to know our town sponsored by the Phillipston Open Space Committee and Historical Commission.

# Monthly Articles About Our Beautiful Queen Lake in Phillipston

by Queen Lake Assoc. Board of Director, Claire Adomaitis

## Article XX

Nights are becoming cooler, mist rises from the water early in the morning and some of the leaves are starting to change colors. The hardy souls are still swimming in the Queen Lake water and using the beach catching the last rays of summer. After Labor Day Weekend, the boat ramp will be open continually and the porta pottie will be removed, a sure sign that summer is over. Plan accordingly!

Watersheds have been discussed before and one may wonder what actually is a watershed. It is an area of land in which all the water drains into a particular low-lying river or other surface water body. The boundaries of a watershed are determined by higher areas of land which separate it from adjacent watersheds. We need watershed areas around Queen Lake to keep the water crystal clean.

Nutrient Overload (which harms the lake) can be caused by excess levels of phosphorus and nitrogen being introduced to the lake from a variety of sources including; failing septic systems, urban storm water runoff, and residential use of detergents, fertilizers and organic debris disposal. Organic products that are biodegradable should be used. Ideally a buffer zone, usually 20 to 30 feet of undisturbed land between the lake and home, will create an essential filter buffering the lake from excessive nutrients.

A great time was had by all on August 13<sup>th</sup> at the “Historical Day” on the common celebrating Phillipston’s 225<sup>th</sup> Anniversary. Another great celebration day is going to be held in October along with the “Pumpkin Weigh-In” with the evening closing with a gigantic display of fireworks. Be sure and save the day for a wonderful, fun-filled time!

## Flea Market Committee Needs Storage Place

Thanks to the generosity of Martha Craft, we have been able to store donated items in her garage until the Bazaar in June. But, she is moving and so we are looking for a garage, barn, etc. to house our stuff as we collect it during the year. If you have a place, or know of one the church can use, please call Gerry Gariepy at 978-939-5465 or Jim Potter at 978-939-4470.

And, thank you,  
Martha!

## **NO MORE TRANSFER STATION STICKERS!**

The Board of Health is pleased to announce plans for the institution of a new system that will replace Transfer Station stickers with pre-printed 33 gal. plastic bags that can be purchased at residents' convenience in local grocery and variety stores. Specific vendors will be named in the next few months. Each bag will cost \$2.00, the same as the old stickers. Until the system is fully in place, residents will still be able to buy stickers from the Town Clerk and those who pre-purchased stickers from Town Clerk can continue to use them until January 1, 2012.

Residents using the Transfer Station will also be required to purchase Transfer Station membership stickers for their vehicles. One membership sticker will cost \$10 per year. Additional stickers for other family cars will cost \$5 each. These will be available through the mail or at the Board of Health office on Wednesday mornings.

White goods such as washing machines, florescent bulbs, and tvs can still be disposed of at the Transfer Station, but payment for disposal will have to be with a check made out to the Town of Phillipston given to attendants there at the time of disposal. No cash will be handled at the Transfer Station.

## Members of the Phillipston Historical Commission:

The Board of Selectmen for the Town of Phillipston would like to extend their heartfelt thanks and certainly the thanks of all its' citizens to the *Historical Commission* for the extraordinary celebration of the Town's 225<sup>th</sup> Anniversary "Picnic on the Common" on August 13, 2011. We would be remiss if we did not single out Mrs. Jane French for her creativity and dedication to this event. Her determination to make that day a success was apparent to everyone present.

What a joy to see residents, both young and old, enjoying all the sights and sounds on the Common on that sunny day. From the dignitaries of the past, to the parades to the re-enactments, there truly was something for everyone to enjoy. Thank you for all of your hard work in making a monumental anniversary event for the entire Town to enjoy.

Sincerely,

The Phillipston Board of Selectmen

## North Quabbin Garden Club

Thursday, September 15, 2011 7 p.m.

Millers River Environmental Center

100 Main Street, Athol, MA 01331

### Attracting Birds to your Garden

Did you ever wonder how to attract birds to your garden? **Naturalist Marie Nickerson** will reveal helpful guidelines to create your own attractive backyard habitat for bluebirds and other native species. She will guide us into shifting gears from winter to spring, in preparation for birds that are passing through and welcoming back our local nesters. The discussion will range from providing nest boxes, choosing food, feeder location, diseases, and much more.

An affiliate of the Millers River Environmental Center in Athol, the North Quabbin Garden Club formed in 2006 to encourage interest in all phases of home gardening. With efforts to promote better horticultural practices and foster civic beauty, emphasis is placed on use of native plants, organic gardening, and the conservation of natural resources. Monthly meetings are usually held on the third Thursday evening of each month featuring informative speakers or workshop sessions. Members are currently working on a wildlife habitat garden at the Millers River Environmental Center and planning their annual spring sale of perennial plants and specialty items. Guests and new members are always welcome, so join us this month and learn something new about gardening. Meetings are free to members and guests are asked for a donation.

# Town Clerk's Office

I'm asking the citizens of Phillipston if they have any old Town reports kicking around. The State Library of Massachusetts, at the State House in Boston, keeps a library of all Town reports. There are some years that are missing in their catalog.

Do you happen to have a 1962, 1963 or 1964 Town Report? The Town Clerk's Office has no copy of 1962 at all. My file cabinet does have a 1963 copy which has pages 6 – 14 missing. The year 1964 is complete but I have only one copy so I can't send the Library my only copy.

The Selectmen's Office has bound 10 year increments of all Phillipston Town Reports so there are copies available for review.

The only other year I'm missing is 2005 my copy has disappeared. If you have copies please call my office at 978-249-1733 or come by and see me. The Town Clerk's Office is open Mondays 9:00am to 9:00pm with an hour closed for supper from 5:00-6:00pm. The office is open Wednesdays from noon to 6:00pm and Saturday mornings from 8:00 to 11:00am.

I appreciate your help. Karin Foley/Town Clerk

## Mark September 18<sup>th</sup> on Your Calendar

The Congregational Church and the Historical Society are co-sponsoring a program to honor the Town's 225<sup>th</sup> and it's one NOT to be missed!

Sunday, September 18<sup>th</sup>

2:00 P.M.

### Phillipston Congregational Church

A theatrical presentation about the involvement of Mary Surratt in Lincoln's assassination will be presented by Muriel Dyas at the church. Ms. Dyas thoroughly researches the lives of scandalous women in history and brings them to life in her dramatic storytelling. The Mary Surratt presentation will provide us the opportunity to see the Civil War period from the Southern point of view and to understand why assassin John Wilkes Booth expected to be a hero. In the end, you will decide if Mary was innocent or guilty of charges pressed against her. Please spread the word about this special program that will be both educational and entertaining. Let's fill the church. When Ms. Dyas heard about our small town and its 225th anniversary, she waived her fee! Be sure to thank her. Refreshments will be served after the program.

### Say Good-bye to the McMahons!

Our dear friends and neighbors, leaders in everything Phillipston, are moving to Florida. Come celebrate their contributions to the town and help us wish them well at a town-wide, pot-luck, BYO party at Red Apple Farm. We need appetizers, salads, main dishes, and desserts. Just as important, no gifts but please bring a typed or hand-written memory or special wish you have for Thelma and Phil.

Thursday, September 29th

6:30 p.m.

Red Apple Farm has a seating limit of 120, so be among the first to call Joan Johnson at 978-249-0179 or e-mail her at [jjenningsj@comcast.net](mailto:jjenningsj@comcast.net). Please include the category of dish you intend to bring and your telephone number.

## Be Sure to Sign Historic Quilt

Since the early 1800's, Signature Quilts have been a popular way to earn money while celebrating a special occasion. Many of the early signature quilts are now prized pieces in museum collections and have become valuable for genealogical research. Master Quilter Barbara Sanden is assembling one for the Ladies Benevolent Society that will be raffled to celebrate the Town's 225<sup>th</sup>.

The quilt will have room for 140 signatures. It will cost \$5 to sign a square, and your signature will qualify you to have your name entered in the raffle for the quilt, which will take place in December at the Memory Tree and Citizen of the Year Ceremony. The quilt design is a beautiful one and will be very precious filled with names of local townspeople, a one-of-a-kind treasure.

Squares will be available in the church vestry following the Mary Surratt presentation and also at the Fall Fair. Many have signed already; be sure your name goes on that piece of history ... and you may win it !
